Lakeside, the Chautauqua on Lake Erie

Lakeside is a summer community for families of all sizes located on the Lake Erie shore. It is a unique place to bring family and friends to enjoy the same sustaining values and traditions learned as a child. Since 1873, Lakeside has provided a summer Chautauqua experience dedicated to spiritual growth and renewal, educational and cultural enrichment, and recreational pursuits.

Lakeside was among the first communities founded as part of the Chautauqua Movement in the United States and was originally established as a religious retreat committed to continuing education. A Chautauqua is a community welcoming all people to gather and participate in life-long learning opportunities through the four pillars: religion, education, cultural arts and recreation.

Scholarship Purpose

In the biblical tradition, keeping Sabbath is essential to maintaining one's relationship with God. A time of renewal for clergy is energizing and an important part of maintaining the commitment, passion, and skills to focus on ministry. Lakeside believes that the Ohio United Methodist Clergy Renewal Scholarship will deepen the spiritual lives of clergy, encouraging reflection, rest, renewal and clarity for life and work. The scholarship will provide up to four overnight stays at the Fountain Inn or Hotel Lakeside. The scholarship cannot be used June 1-25 each year.

Scholarship Eligibility

A clergyperson who has been a member of the East or West Ohio United Methodist Church Conference is eligible to apply for the scholarship. The scholarship will be applied directly to Fountain Inn and Hotel Lakeside accommodations at Lakeside.
