

WELCOME TO THE 144th LAKESIDE CHAUTAUQUA SEASON

The Education Department has planned an exciting season of programs to promote intellectual growth on a variety of subject matters. Please review the information below and the entire schedule for the season to maximize your experience with the Education pillar.

SCHEDULE UPDATES, PROGRAM DESCRIPTIONS & ROOM LOCATIONS

Read the weekly *Lakesider* newspaper for updates to the season's schedule, full descriptions of program content, speaker backgrounds and the specific room location for each program. This booklet was last updated **June 12, 2017**.

LECTURE SERIES ETIQUETTE

Out of respect to the lecturers and courtesy to all in the room, the Education Department requests attendees follow the guidelines below when attending lectures:

1. Turn off all electronic devices before the lecture begins.
2. If expecting a call, place phone on vibrate prior to lecture, and step out of room before answering the phone.
3. Refrain from asking questions during the lecture unless specifically encouraged to do so by the presenter.
4. If asking a question, stand and wait for a microphone to be brought to you before asking your question.
5. Keep your question on point and avoid long introductions to the question.
6. Avoid engaging in conversation with your neighbors during lectures. This is distracting to everyone around you.
7. Do not move chairs so that they block an aisle. Every aisle needs to be wide enough to allow wheelchair access.
8. Complete an evaluation form at the end of lectures to provide feedback and suggest topics/speakers for future consideration.

HOW TO ACCESS SUPPLEMENTAL LECTURE SERIES MATERIALS

To promote further learning, speakers participating in the Chautauqua Lecture Series are asked to provide recommended reading lists, handouts and lecture PowerPoint slides for posting on the Lakeside Chautauqua Education Department webpage. These resources will be posted **AFTER** the lecture theme has concluded and remain on the webpage until after the season has ended. If you do not have access to a computer, please contact an Education Department staff member who can assist you in obtaining a printed copy of the materials. Please note that the Education Department is not able to videotape or audiotape the lectures.

To access these resources online, follow the steps outlined below:

1. Visit www.lakesideohio.com/education/lecture-series
2. Scroll down to the lecture you are interested in. You will see a summary of all lecture themes, followed by a list of each individual lecture
3. Click on the appropriate link to review materials provided by the speaker

PRE-REGISTRATION

Certain programs require pre-registration and a fee. If pre-registration/fee is required, it is indicated immediately after the program title. Please review the weekly *Lakesider* newspaper to learn how to register for each program. Contact the Education Department at education@lakesideohio.com or (419) 798-4461, ext. 239 with questions.

YOUTH PROGRAMS

In addition to the Chautauqua Lecture Series and Community Education Programs, numerous Youth Education programs are offered on a variety of topics including music, history, science, geography, art and religion. A brochure listing these programs can be found at www.lakesideohio.com/education/programs, the Lakeside Chautauqua Administration Office or by asking an Education Department staff member for a copy.

PROFESSIONAL DEVELOPMENT GRADUATE CREDIT

Lakeside Chautauqua is once again partnering with Lake Erie College to offer professional development graduate credit based on participation in educational and cultural arts programs at Lakeside. This opportunity is designed for educators needing to renew teaching licenses and/or gain professional development credit.

Course Description

Cognitive and Creative Learning Process Using Lakeside Chautauqua (ED 7203) will be offered through Lake Erie College. Once registered, students have until August 5, 2017 to accumulate the necessary contact hours and submit assignments. The cost is \$180 for this one-credit course. Participants may complete one course per Chautauqua season.

Requirements

Requirements for the course include attendance at lectures, educational programs and cultural events, as well as completion of event summaries/critiques and an outside project. All assignments can be submitted online. The deadline for submission of course assignments is August 5, 2017.

Registration & Additional Information

Participants must register for the course prior to attendance at the first Chautauqua program used for contact hours. The last day to register for the course is July 30, 2017. After registering, course materials will be emailed with directions for completion. Contact Professor Sally Schuler at schuler05@gmail.com or (440) 826-9736 for registration directions or to ask questions about the program.

ENDOWMENT FOR LIFE

The Endowment for Life Initiative raises endowment funds through deferred giving to support Lakeside Chautauqua's future. The *Initiative* offers the opportunity for a person/family to fund a named education week. If interested, please contact Gretchen Colon at (419) 798-5396.

QUESTIONS OR SUGGESTIONS

Please contact an Education Department staff member with any questions you have or suggestions you would like to make to enhance the Education pillar at Lakeside Chautauqua. We look forward to hearing from you.
