2021 Video & Digital Media Internship

The Video & Digital Media Intern works independently and collaboratively with supervisors, fellow interns and internal departments to organize Lakeside Chautauqua's growing video database as well as provides support to the Digital Media Coordinator. This internship requires a working knowledge of Adobe Creative Suite, video shooting and editing, and DSLR camera and video components, and social media video applications.

The intern is responsible for interviewing community members, writing scripts, shooting and editing video content daily. This individual should have experience editing in a range of content formats, shooting on location outdoors and indoors, making creative decisions, script writing and demonstrating aesthetic and technical skills. The ideal candidate can take direction and make creative and technique decisions; maintains the ability to work in a focused and independent environment; takes direction and critiques with grace; is highly organized, personable and self-motivated; capable of meeting strict deadlines; and possesses excellent communication, time management and leadership skills. The intern's work may be featured on the website, social media, blog and other digital platforms. Aerial video and drone experience is a plus.

Please note: This internship runs from May 11-August 21 (or later preferred). This internship also requires flexibility, as the intern is expected to work days, some evenings and weekends, and all summer holidays, including Memorial Day weekend and Fourth of July.

ESSENTIAL DUTIES & RESPONSIBILITIES (PLUS OTHER DUTIES AS ASSIGNED):

- Interview guests, staff, donors and community members
