Wellness Center Grand Opening

Kevin Sibbring
President/CEO

Welcome back to Lakeside Chautauqua. We’re once again excited to serve the many attentions of the East Ohio Annual Conference here on Ohio’s Most Beautiful Mile. You’re among the first of many thousands who will return to Lakeside every year to reunite friends, renew your spirit, and be inspired to work to enhance the lives of those that we serve.

Last summer was a historic one in Lakeside, as our community gathered together on July 1 to gather together on July 1 to incorporate health and wellness. This facility really brings it all together and creates a tremendous synergy.”

With the opening of the building, Lakeside looks forward to continued ongoing enhancements and will significantly improve all four Chautauqua pillars of building, Lakeside looks forward to complete these enhancements.

The concept of the Grindley Aquatic & Wellness Campus was identified as an immediate short-term priority in 2015. The development of a Master Plan was a critical component needed for the future to ensure that we have grow and facilities that continue to support Lakeside’s mission to enhance the lives of those that we serve.

For five years, Meg Murry (Storm Reid) and her brother, Charles Wallace (Deric McCabe), have been without their scientist father, Mr. Murry (Chris Pine), ever since he discovered a new planet. Joined by his classmate, Calvin O'Keefe (Levi Miller), and guided by the three mysterious astral travelers known as the Black, White and Red, the children brave a dangerous journey to a planet that possesses all the evil in the universe.

The fate of the planet is uncertain as the Avengers battle Thanos (voiced by Josh Brolin), the Black Widow (Scarlett Johansson) and more, plus the action in this film, the 19th in the Marvel Cinematic Universe, will head out into the sunset while Chip Richter provides music. After the blooming, many boats will head out into open waters to watch the sunset while Chip Richter provides music. At 3 p.m. Sunday, Sept. 2, Lakeside will hold a ceremony and unveil a plaque commemorating its designation as an official Historic Site of The United Methodist Church (UMC).

The formal approval of this designation will be voted on by the East Ohio Conference of the UMC in June. This designation is the result of an application process undertaken by Lakeside Chautauqua and the Lakeside Heritage Society through the General Commission on Archives and History of the UMC.

The official numbered Historic Site plaque will be placed on the original Lakeside Chapel (now Heritage Hall Museum) to honor Lakeside and all of those who have both found and provided spiritual renewal here throughout the duration of the life between Lakeside and the UMC.

Several buildings across the Lakeside grounds are being grouped together to form the ‘cluster’ designation that Lakeside will receive. Three of those buildings are Hoover Auditorium, South Auditorium and Wesley Lodge.

Construction on Hoover Auditorium began in 1928, and in the past 90 years, the historic stage has been graced by renowned performers such as the Rev. Billy Sunday, the Rev. Norman Vincent Peale and the Rev. Earl R. Brown.

Both the West Ohio Conference (WOOC) and East Ohio Conference (EOC) of the UMC have deep roots with Hoover Auditorium. The Ohio Conference, a predecessor to the WOOC, held their annual meeting at Lakeside every year from 1940-1960, before reorienting into the WOOC, which has now come to Lakeside every year since 1970.

The Northeast Ohio Conference, which was a predecessor to the EOC, visited Lakeside, and Hoover, for the first time in 1910 and held their annual conference here from 1926-1929 before reorienting into the EOC, which has also come to Lakeside every year since 1970.

South Auditorium was originally constructed in 1883 by the German Methodist Church, and was originally known as German Auditorium. A leader of the Lakeside German Methodist Camp Meeting, the Reverend Dr. William Nast, was the founder of German Methodism.

Lakeside’s application will be presented by the EOC to the General Commission through the General Commission on Archives and History in the General Conference in 2020.

The collected ideas were combined with the observations and analysis of the planning team to create five focus areas to guide the future of Lakeside over the next 15-20 years. Those focus areas are: South Lakeside & Cultural Arts Campus, Chautauqua Corridor, Recreation & Wellness Campus, Downtown, and the Lakefront & Central Park.

Pickleball grows in Lakeside

Pickleball, quite a bit of tennis, parli, tennis and part badminton, has become a trending sport in Lakeside in recent years. A dedicated pickleball center is open to Lakeside mid-summer, but enhanced pickleball programming is now offered this summer at the Williams Tennis Campus.

Pickleball is a sport that is easy to learn and attracts players of all ages. It does not require much skill nor does it cause wear and tear on the body.

Equipment:

The goal of Level II is to obtain experience and confidence on a very sea worthy ship (18' Typhoon) in open water and to do so with full command of the sailboat. To take the Level II class, students should already have the basic skills learned from Level I, either through tacking tests, along with life jacket exercises.

The cost for either session is $65, which includes instruction for five days and a sailing instruction workbook. Class space is limited. To register, contact the Lakeside Polar Plunge website or call (419) 798-4461, ext. 266.

Classes in the Arts

Page 10

All ages are invited to explore the arts.

Lakeside Chautauqua houses a treasure in Epworth Lodge, located on the corner of Walnut Avenue and Sixth Street, known as the Kirk Rhein Jr. Center for the Living Arts. Arts programming began there on Aug. 8, 1999, thanks to a generous gift from the Kirk family, and their friend, an attorney of their son, Kirk. The Rhein Center provides classes across the entire spectrum of the arts for Lakesiders of all ages. Classes are taught by artists and artisans who share a passion for inspiring creativity. Classes in the Arts vary in skill level, length and number of sessions. Free daily drawing and writing prompts, called ArtRageous Pages, are available for pick-up on the Rhein Center porch Monday-Saturday. The schedule expands to seven days a week during the summer. As the schedule expands to seven days a week during a class, however, please contact rheincenter@lakesideohio.com or stop by to talk with Michelle Johnson.
