Wellness Center Grand Opening

On May 26, the Lakeside Chautauqua community gathered together to celebrate the grand opening of the Wellness Center at the Grindley Aquatic & Wellness Campus.

To open the ceremony, the Rev. Dr. Joel Davies, Lakeside’s Director of Religious Life & Church Outreach, welcomed the crowd and issued a blessing over the building and all those who will use it to “enrich your quality of life.”

This has been a long-awaited project. After the funds were raised during a 2016 capital campaign and the swimming pool opened last summer, this became the last phase of this greatly anticipated, community-supported project. “It was also the time that the community raised $3.4 million in such a short amount of time,” said the Rev. Davies. “That’s unbelievable at any nonprofit across the country.”

After the ribbon cutting, the doors to the Wellness Center remained open for Lakeside’s community members to explore the facility. Decatur Hall, the large multi-purpose room on the east side of the building, will serve for community as a site for exercise classes, private parties, meetings or educational opportunities. The building also features the Magnifier Fitness Room, which includes treadmills, elliptical machines, stationary bikes and weights. “Wellness and health permeate our society,” said Bill Decatur, Lakeside Chautauqua Foundation Chair. “The community saw the need for this aspect at Lakeside. We’re never had a swimming pool of this nature, and we’ve never had a combined center for fitness and wellness. This facility really brings it all together and creates a tremendous synergy.”

With the opening of this building, Lakeside looks forward to rekindle friendships, renew your health, and provide new opportunities to incorporate health and wellness into their daily routines.

“The community assessment was a driving force,” said Kevin Sibbring, Lakeside Chautauqua President ‘10. “Engaging the community and understanding where their needs are and what desires they have, both for a pool and wellness center, was critical. And then again, coming to the community to ask for financial support, so we can turn a vision into a reality, was the key component to the success of the project.”

For hours and admission for the pool and Wellness Center, see page 7.

Guest Preacher

The Rev. Dr. Zan W. Holmes, Jr. will share his message, “Ain’t We Gonna Have of What We Want?” at the 10:30 a.m. Hoover Community Worship service on Sunday, June 3 in the Hoover Auditorium.

He’s Pastor Emeritus of St. Luke’s United Methodist Church, Dallas, Texas. He has served in Dallas for 28 years, most recently as Adjunct Professor of Greek at Dallas Theological Seminary and Adjunct Professor of Theology at Southern Methodist University in Dallas for 24 years.

The Rev. Dr. Holmes has authored several books, including: Teachings for Renewal and Racial Justice, and has written chapters in Pistor in the Pulpit: Five American’s Most Effective Black Preachers Prepare Their Sermons. He’s also widely known for his role as narrator and host of the “Disciple Bible Study” video series.

A leader in community activism, he has spent time with tails in governing bodies, including his election to the Texas House of Representatives (1968-1972) and the 1972-1974 election as chairman of the Tri-State Community College Commission. He also saw the implementation of the Texas Independence Schools Initiative.

In 1991, Governor Ann Richards was proud to name Dr. Holmes the first African American-Appointed Commissioner for Education.

Clergy and lay members of the West Ohio Annual Conference will gather at Lakeside Chautauqua from Sunday, June 3, through Wednesday, June 6, under the heading “New Life: Renewal in Christ.” Nearly 3,000 West Ohio Annual Conference members will attend workshops, worship services and plenary sessions. Bishop Gregory V. Palmer will deliver the message. The Rev. Dr. Zan W. Holmes, Jr. will provide powerful preaching during Opening Worship at 7:30 p.m. Sunday, June 3 and at 9 a.m. Tuesday, June 5.

The Celebration of Ministry, which includes ordination, will take place at 10:30 p.m. Tuesday, June 5, in the Hoover Auditorium. For more information, visit www.wesohio.org.}

This year, Lakeside is excited to introduce Gift Cards & Barcodes. We are starting this initiative on a limited basis for a few reasons. We will be able to purchase certain Chautauqua Passes instead.

This year, Season Chautauqua Passes will still be available to purchase at the Adult Ticket Office and the Administration Office. For more information about season purchasing and using the Gift Cards, contact Tyler Wilkie at (419) 798-4641, ext. 349.

To help with the tracking and evaluation of our Chautauqua program, we are also exploring the option of using barcodes in place of paper for truck attendance at the gates, Hoover Auditorium, the Grindley Aquatic & Wellness Campus and other Chautauqua operations.

For this year, the purpose of testing the barcodes this year is so that Lakeside has a better idea of which features can be used for the next season. For example, there may be more potential of offering convenience features to frequent and seasonal guests, such as membership, parking, andURI...
Lakesides earns seventh Tree City USA honor

On April 18, Lakeside Chautauqua was recognized as a Tree City USA by the Northwest Region Tree City USA Program, hosted by the City of Upper Sandusky and their Tree City Communities. This is the seventh time our community has been honored with this nationally-recognized award.

The award was presented to the Tree City USA communities by the Ohio Department of Natural Resources Division of Forestry. Featured speaker, Jim Chatham, OSU Associate Professor and Horticulture Specialist, shared an entertaining and enlightening presentation about the importance of trees in communities.

The tree of City Tree USA was bestowed upon the Lakeside community for our ongoing efforts to maintain and improve our quality of life through a comprehensive tree management program. The program is guided by the Lakeside Tree Advisory Committee and the municipal government. The Ohio Department of Natural Resources, Division of Forestry’s Urban Forestry Program acts as a guiding hand in helping our community become qualified as a Tree City USA. The Regional Urban Forester recommends a community to the Arbor Day Foundation for this standing. In order to achieve the title and the honor, a community must meet four standards: it must have a tree ordinance; an active tree commission, such as the Tree Advisory Team or a forestry department; a comprehensive urban forestry program supported by a minimum of two dollars per capita; and an Arbor Day Proclamation and public ceremony.

The state of Ohio currently boasts the greatest number of Tree Cities in the country with a grand total of 240. This marks Ohio’s 41st consecutive year as the top Tree City USA state, according to the Ohio Division of Forestry. Fifty-three Ohio communities are Tree Cities. For more details on the Tree City USA Program, call the Arbor Day Foundation, visit www.arborday.org.

Lakesiders of all ages are invited to submit photos to be featured in the 2019 Calendar of Events brochure. The Calendar of Events brochure, as well as on Lakeside’s social media pages, website, The Front Porch blog, the Lakeside locals newsletter, and email ads, etc.

Images should represent people enjoying Lakeside through photos of families, traditions, children, religion, education, cultural arts (special events and programming), recreation, landscape or architecture.

For full contest rules, visit www.lakesideohio.com/photocontest.

Wright Brothers' 1903 Fly Day

Friday, June 1 through Sunday, June 24.

To be eligible you must submit a photograph of the Wright Brothers’ 1903 Fly Day celebration. Photographs will be accepted at the Information Center or by email to infoctr@lakesideohio.com. Print or scanned images are not accepted. Only high-quality, hand-crafted products created by artists who teach classes at the C. Kirk Asbury, Mary J. Blige, Emily Blunt, Johnny Depp and more.

Submit to the Annual Photo Contest

Blessing of the Fleet

Lakeside’s Blessing of the Fleet will take place at 6:30 p.m. on Friday, June 22. All types of boats, including water bikes, sailboats, powerboats, kayaks and canoes are invited to participate.

During this annual event, the Rev. Jennifer Jennings will stand at the end of the dock and bless each boat and crew as they pass. After the blessing, each boat will head out into open waters to watch the sunset while Chip Richter, Lakeside Director of Education, will give an after-event presentation.

The Lakeside Innovation Center will take reservations for Wooden Boat Rides, which will be available from 4-8 p.m. on Friday, June 22. For information or to make reservations, call (419) 798-4461, ext. 266 or infocenter@lakesideohio.com.

Artists-N-Cahots is the place to find original artwork and crafts created by local artists, as well as other artists.
At 3 p.m. Sunday, Sept. 2, Lakeside will hold a ceremony and unveil a plaque commemorating our designation as an official Historic Site of The United Methodist Church (UMC). The final approval for this designation will be voted on by the East Ohio Conference of the UMC in June. This designation is the result of an application process undertaken by Lakeside Chautauqua and the Lakeside Heritage Society through the General Commission on Archives and History of the UMC.

The official numbered Historic Site plaque will be placed on the original Lakeside Chapel (now Heritage Hall Museum) to honor Lakeside and all of those who have both found and provided spiritual renewal here throughout the duration of the site’s existence between Lakeside and the UMC.

Several buildings across the Lakeside grounds are being grouped together to form the “cluster” designation that Lakeside will receive. Three of those buildings are Hoover Auditorium, South Auditorium and Wesley Lodge.

Construction on Hoover Auditorium began in 1928, and in the past 90 years, the historic stage has been graced by renowned preachers such as the Rev. Billy Sunday, the Rev. Norman Vincent Peale and the Rev. Earl B. Brown. Both the Wes Ohio Conference (WOC) and East Ohio Conference (EOC) of the UMC have deep roots with Hoover Auditorium. The Ohio Conference, a predecessor to the WOC, held their annual meeting at Lakeside every year from 1946-1969, before redirecting into the WOC, which has now come to Lakeside every year since 1970.

The Ohio Conference, which was a predecessor to the EOC, visited Lakeside, and Hoover, for the first time in 1931 and held their annual conference here from 1946-1969 before redirecting into the EOC, which has also come to Lakeside every year since 1970.

South Auditorium was originally constructed in 1883 by the German Methodist Camp Meeting, and was originally known as German Auditorium. A leader of the Lakeside German Methodist Camp Meeting, the Rev. Dr. William Naiz, was the founder of German Methodism.

Wesley Lodge was built in 1961 with funds raised from the Lakeside Crusade, which was a fundraising challenge for church conference groups visiting Lakeside. The donatons from the UMC groups totaled $330,000 in one year and allowed Lakeside to build Wesley Lodge as a meeting space for all groups who visit Lakeside.

Bishop Tracy Malone will provide over the dedication and bless the Historic Site plaque. All are invited to the special ceremony, as we welcome the Lakeside in the UMC.

After receiving the designation as an UMC Historic Site, Lakeside’s application will be submitted to become a Heritage Landmark of the UMC. A Heritage Landmark is defined as a “building, location or structure specifically related to significant events, developments or personalities in the overall history of the UMC or its antecedents.” Lakeside’s application will be presented by the EOC to the General Conference through the General Commission on Archives and History to the General Conference in 2020.

The collected ideas were combined with the observations and analysis of the planning team to create five focus areas to guide the future of Lakeside over the next 15-20 years. These first areas are: South Lakeside & Cultural Arts Campus, Chautauqua Corridor, Recreation & Wellness Campus, Downtown, and the Lakefront & Central Park.

To download the executive summary, visit www.lakesideohio.com/news/masterplan.

The pergola will be adorned with plaques listing the names of beloved Lakesiders who have been laid to rest in the garden, as well as those who have given generously to the construction of the memorial garden.

The goal of the Prairie Garden, located on the corner of South Street and Laurel Avenue, is multi-faceted. In an effort to bring a portion of Lakeside back to its natural roots and build a more sustainable community, the Ohio native plant Prairie Garden will serve as a resource to Lakesiders, educational tool, and it will become a site for supporting the unique character of this historic neighborhood. This effort is multi-faceted. In an effort to bring a portion of Lakeside back to its natural roots and build a more sustainable community, the Ohio native plant Prairie Garden will serve as a resource to Lakesiders, educational tool, and it will become a site for supporting the unique character of this historic neighborhood.

Ongoing community feedback has proven to be an excellent educational tool, and to encourage visits, the site will provide tours, demonstrations, workshops and walks with Lakeside’s Master Gardener, Loretta Wilken. As the garden flourishes and reaches full maturity, we’ll also be sharing seedlings from the native plants with Lakeside homeowners to help us meet our goal.

As the garden flourishes and reaches full maturity, we’ll also be sharing seedlings from the native plants with Lakeside homeowners to help us meet our goal. Our hours are 7:00 AM - 8:00 PM (Mon.-Sat.) and 10:00 AM - 6:00 PM (Sun.).

Wellness Seminars

As part of Lakeside Chautauqua’s wellness initiative, Wellness Seminars will be held at 1:30 p.m. Mondays and Wednesdays in the Wellness Center. Seminars will focus on areas of health, including wellness, stress management, healthy cooking and more. Marguder Hospital is working with professionals in the community to find specific dates, room assignments and sponsoring these seminars that will be led by professionals in the community.

New Assistive Listening Technology

Chautauqua Hall and Orchestra Hall receives equipment upgrades. These new systems allow individuals to receive clear sound from the sound system directly to their hearing aid or cochlear implant. This eliminates most of the reverberation and background noise that can make it difficult to hear. Assistive listening technology, in the form of a hearing loop system, the telecoil (also known as a t-coil) can be used in any venue with audio equipment. If the hearing loop system is activated, it can be used in any venue with a hearing loop system.

Look for the hearing loop logo to know if a venue is equipped with a hearing loop.

If you know your hearing aid has an active telecoil, you can turn on the telecoil on your hearing aid and enter the room. If you do not know if you have a telecoil or have the telecoil in your hearing aid, you can ask your audiologist to activate the telecoil.

If your hearing aid lacks a telecoil, or you do not have a telecoil or if your hearing aid has a telecoil that is deactivated, you can use a device called a hearing aid processor plugged into a receiver available at the Information Education Department staff member for more information about this new program.

Community Programs

Read future editions of the Lakesider newspaper for local dates, times, locations and requirements for each community program.

Community education programs provide additional educational opportunities for intellectual growth and include the following:

**Creative & Publishing Children’s Books (June 18 & 19)**

The world of authors, illustrators and editors of children’s books discusses aspects of the creative process and the publishing industry. A Hoover Auditorium exhibit of art from children's book illustrators, on loan from the Mazza Museum, complements the theme.

Community Sustainability (June 20 & 21)

Join President Franklin D. and Eleanor Roosevelt will visit www.lakesideohio.com/education.

The season begins with the theme, An Invisible Thread, first created and supported by Magnudor Hospital and the Ottawa County Prosecutor’s Office by Donna Eleanor Roosevelt, President/CEO of Goodwill Industries of Northern Ohio and predecessor of President Franklin D. and Eleanor Roosevelt will lecture at 8:15 p.m. in Hoover Auditorium on "A Re-education for Children."

Community sustainability, income generation and include the following:

Wellness Seminars

As part of Lakeside Chautauqua’s wellness initiative, Wellness Seminars will be held at 1:30 p.m. Mondays and Wednesdays in the Wellness Center. Seminars will focus on areas of health, including wellness, stress management, healthy cooking and more. Marguder Hospital is working with professionals in the community to find specific dates, room assignments and sponsoring these seminars that will be led by professionals in the community.

New Assistive Listening Technology

Chautauqua Hall and Orchestra Hall receives equipment upgrades. These new systems allow individuals to receive clear sound from the sound system directly to their hearing aid or cochlear implant. This eliminates most of the reverberation and background noise that can make it difficult to hear. Assistive listening technology, in the form of a hearing loop system, the telecoil (also known as a t-coil) can be used in any venue with audio equipment. If the hearing loop system is activated, it can be used in any venue with a hearing loop system.

Look for the hearing loop logo to know if a venue is equipped with a hearing loop.

If you know your hearing aid has an active telecoil, you can turn on the telecoil on your hearing aid and enter the room. If you do not know if you have a telecoil or have the telecoil in your hearing aid, you can ask your audiologist to activate the telecoil.

If your hearing aid lacks a telecoil, or you do not have a telecoil or if your hearing aid has a telecoil that is deactivated, you can use a device called a hearing aid processor plugged into a receiver available at the Information Education Department staff member for more information about this new program.

Community Programs

Read future editions of the Lakesider newspaper for local dates, times, locations and requirements for each community program.

Community education programs provide additional educational opportunities for intellectual growth and include the following:

Community Programs

Read future editions of the Lakesider newspaper for local dates, times, locations and requirements for each community program.

| Weekend Lakesiders . In addition to hosting Art in the Park on Sundays, the Rhein Center will now hold classes 11 a.m.-3 p.m. Saturdays June 30-Aug. 18 in Epworth Lodge. New Saturday Classes This summer, the Rhein Center will hold classes seven days a week, increasing the activity options for weekend Lakesiders. In addition to hosting Art in the Park on Sundays, the Rhein Center will now hold classes 11 a.m.-3 p.m. Saturdays June 30-Aug. 18 in Epworth Lodge. Special Early Registration Unlike the weekday class registration, which will continue to open at 8 a.m. on the Thursday before each week of classes, the new Saturday classes are available for registration anytime throughout the summer. Online sign ups opened May 1, and in-person registration will be available starting Monday, June 4. How to Sign Up To see all the available classes, visit www.lakesideohio.com/art/classes, and follow the links to the course catalog. When searching the Active database of class listings, be sure to check the Saturday box on the left side of the menu. Continue to check back during the summer, as more classes may be added. You can also stop by on Saturdays to see what late additions are available. Volunteering A $25 donation goes towards our volunteer efforts. Each week of classes the Rhein Center needs volunteers to assist, especially on weekends. There are many classes offered at different times, and “or” designates classes that meet across multiple days.

---

### New Saturday Classes

This summer, the Rhein Center will hold classes seven days a week, increasing the activity options for weekend Lakesiders. In addition to hosting Art in the Park on Sundays, the Rhein Center will now hold classes 11 a.m.-3 p.m. Saturdays June 30-Aug. 18 in Epworth Lodge. Special Early Registration Unlike the weekday class registration, which will continue to open at 8 a.m. on the Thursday before each week of classes, the new Saturday classes are available for registration anytime throughout the summer. Online sign ups opened May 1, and in-person registration will be available starting Monday, June 4.

### How to Sign Up

To see all the available classes, visit www.lakesideohio.com/art/classes, and follow the links to the course catalog. When searching the Active database of class listings, be sure to check the Saturday box on the left side of the menu. Continue to check back during the summer, as more classes may be added. You can also stop by on Saturdays to see what late additions are available.

Lakeside Administration Office, 236 Walnut Ave., for a fee.
Several “Mutt Mitt” dispensers are located throughout the property. Pet owners must clean up after their animals.
Recycling is not tolerated on the property. Those found recycling are subject to a $25 fine.
Trash is picked up curbside every day.
NOMS Urgent Care in Sandusky.
For more information, call (419) 732-7800. Urgent care is also available at St. Vincent Charity Hospital in Port Clinton. Walk-ins are accepted and there is no facility fee. For NOMS Urgent Care in Sandusky, call (419) 798-4461, ext. 244.

Where do I find a local newspaper?
Visit Erie Food Market, located outside the Fifth Street Gate, for a local newspaper.

Are there any designated handicapped and short-term parking areas?
No Parking Areas
• Automobile parking is not allowed on Second Avenue from the East Gate to the West Gate, except for designated handicapped and short-term West Gate parking written on Maps and designated parking as posted.
• Motorcycles are not permitted to park within the Lakeside Chautauqua grounds. There is no need to call for a shuttle, just to one of the stops and look for a golf cart with an orange flag.
