The Silent Movie Era

Clark Wilson, 10:30 a.m., Orchestra Hall.

This month's screening celebrates the era of movie palaces, silent film and the musical scoring of pictures and is presented by Clark Wilson, archivist for Lakeside/Silent Movie Nights.

Wilson is one of the most prominent and recognized-scoret of silent photo-plays in America. He works exclusively with the organ in developing accurate and historical musical accompaniments as they were performed in major picture palaces during the heyday of the silent film.

He began his scoring career in 1980 and has successfully toured North America with hundreds of film presentations at schools, performing arts centers, theatres, festivals and conventions. He's the organist of choice for many of the American Theater Organ Society's international silent film presentations and has scored pictures for Kino International, PBS, Turner Classic Movies and the Indiana University School of Music.

In addition to several albums published in Florida Organ magazine, he has recently authored an article on film scoring for The American Organist magazine, periodical of the American Guild of Organists. His book, The Silent Movie Era: The Organ and Its Repertoire, is published by Ohio University Press.

Christian Music Retreat in Lakesiders

New this year, Lakeside will host a Christian Music Retreat from August 24-27. The retreat welcomes those involved in worship leading and church music leadership to pray together, learn and share resources and connect with the beauty of Lakeside. We’re excited to welcome Zac Hicks as our retreat leader. Hicks is Canons for Worship & Liturgy at Cathedral Church of the Advent in Birmingham, Ala., a blogger and an author. His book, The Worship Pastor: A Call to Ministry for Worship Leaders and Teams, has quickly become the go-to guide for worship leaders. Hicks will share biblical and philosophical foundations for worship, as well as practical training techniques for church musicians and leaders. The retreat includes time for spiritual reflection. We know that as worship leaders and musicians, you pour yourself into others. Hicks will also address the issue of burnout in worship ministry. Participants will receive a retreat packet and copy of The Worship Pastor for the retreat.

We hope that the peace of Lakeside will allow you to use this time for personal renewal and connections with others. Individual registration is $540. Individual registration (no lodging) is $180. Individual registration (no lodging or meals) is $140. To register, visit lakesideohio.com/christianretreat.

The male is predominantly gray with red “shoulders” edged with yellow feathers. Males are also slightly larger than females. This female is overall blackish and lacks any red color. Red-winged black birds are avidous. Males will defend territories in which as many as 15 females establish nesting areas. Most male territories contain between five females.

2019 Lakeside Symphony Orchestra Concert Series
Last year, we auditioned five guest conductors to lead the Lakeside Symphony Orchestra (LSO). This summer we welcome a new, dynamic Music Director & Conductor, Daniel Meyer, to the Hoover Auditorium stage. Meyer was named as the #1 candidate by the Lakeside community, staff and members of the orchestra. He’ll be infusing this year’s repertoire with fresh and engaging music for our symphony experience.

This summer’s concert series will provide audiences with live classical music performances. Due to the size of some of the classes, once the class is full, you may add your name to a waiting list. You’ll be called if a space becomes available. Please stop by anytime to view project samples. These will be changed on Friday afternoon for the following week’s classes. Remember to choose classes carefully, as the Rhein Center is unable to issue refunds for class fees.

Another Rhein Center program, Art in the Park, will move from Saturdays to 2–3:30 p.m. near Pavilion Circle to coincide with the Saturday Afternoon Concerts at the Pavilion West Deck.

Thank you, and we hope you’ll join us in celebrating 20 years of art education at Lakeside through the C. Kirk Rhein, Jr. Center for the Living Arts!
