Welcome back to Lakeside! We are once again excited to serve the many participants of the Eastern Ohio Annual Conference here in Ohio's Lake Country. May you be among the first of many community members that return to Lakeside every year to welcome new friends, renew your spirit, strengthen your faith and work in cooperation with those that you serve. Last summer was a historic one in Lakeside, as our community raised the funds for a pool & wellness center, a project that has been long-overdue by many in the Lakeside community. We proudly raised more than $3 million in just five months for the Grindley Aquatic & Wellness Center, which will open in July of this year.

The concept of this campus was identified as a short-term priority in a longer-term Master Plan that we were just beginning to create this summer. We are excited to have welcomed a formal master planning process underway. The development of a Master Plan is an important component needed for the future to ensure that we have grounds and facilities that continue to support Lakeside's mission.

To help with the design of the Master Plan, we are partnering with MKSK, an urban planning and design firm from Columbus. As we continue to develop our Master Plan to ensure that our programs, grounds and spaces meet the needs of those we welcome to Lakeside and all our other attendees, we encourage you to get involved in the process. Visit www.lakesidemasterplan.com for more information.

Pool & wellness update

Last summer, Lake- side set itself apart as a wellness center, raising more than $3 mil- lion for a pool & wellness center. In just five months, Lakeside came together as a community to surpass the fundraising goal and committed to breaking ground on the Grindley Aquatic & Well- ness Campus. With the necessary funds secured in Sep- tember, Lakeside worked with and Danbury Township on the necessary zoning and safety permits to begin construction on the site, which will also include the addition of Aquatic 000 ft Wellness Center in January. For the first time, framing and siding of the buildings were made, underground utility and sewer connections were also being placed. Due to space limitations and entry changes, construction began on the 4,000 ft Wellness Center in January. See ‘Pool & Wellness’ on page 6

Reneu mind, body and spirit

During your time at Lakeside for the Annual Conference, Lakeside provides lodging, meeting space, worship space, shuttle services and meals – everything you need for a smooth sailing event. But, for at least 11 weeks every summer, Lakeside transforms into a place dedicated to renewal of mind, body and spirit. Throughout the Chautauqua season, Lakeside welcomes inspiring preachers from all over Ohio. In the fall, preachers lecture daily during Faith for Living Hour to stimulate the heart and mind. During your time at Lakeside for the Annual Conference, which will begin Saturday, June 11, we invite you to enjoy the following upgrades to The Oasis at Hoover Auditorium: • Special listing of Lakesiders supporting Hoover Auditorium • Special listing of beloved Lakesiders laid to rest at Hoover Auditorium

Community-wide enhancements

Lakeside aims to make each summer better than the last, and a big part of that is keeping our facilities and grounds in shape for when Lakesiders return for the summer. Over the off-season, Lakeside began four major projects, a few of which already completed. Lakeside would like to thank all who have given generously to these projects, as well as the Maintenance and Grounds Crews and construction partners who have been instrumental in helping to complete these enhancements.

Construction Phase III Phase

Thanks to the support of generous Lakesiders such as Kathryn Sanders Reder, founder of Signature UMC, many of our community will enjoy the following upgrades to The Mission Dining Hall: • Entry pergola along Poplar Avenue • Special listing of beloved Lakesiders laid to rest in the garden • Special listing of Lakesiders supporting The Mission Dining Hall with a gift of $8,000 or more • Special listing of beloved Lakesiders laid to rest on the grounds • Hoover Sound System & Lighting • Hoover Auditorium's Uniting-Endowment • Beautifully welcoming landscaping • Special listing of beloved Lakesiders laid to rest in the garden • Special listing of Lakesiders supporting The Mission Dining Hall with a gift of $8,000 or more • Special listing of beloved Lakesiders laid to rest in the garden • Special listing of Lakesiders supporting The Mission Dining Hall with a gift of $8,000 or more

2017 Ohio Annual Conference

Lakeside has again been awarded the opportunity to serve as the host site for the 48th session of East Ohio Annual Conference, which will be held from Thursday, June 15 to Sunday, June 18. Lakeside is honored to continue to be your guiding experience. We will continue what we have been called and equipped as followers of Jesus Christ, highlight the joy of making connections and relationships in God’s love and understand the importance of our unity as a family of believers and our neighbors if we are dedicated to the Master Plan for Lakeside.

Lakeside Chautauqua’s Master Plan will provide a framework for sustainability, development and preservation of the community. The development of a Master Plan is a critical component needed for the future to ensure that we have vital programs and structures that continue to support Lakeside’s mission and five strategic goals. This year is shaping up to be one of the most exciting in Lakeside’s history. See ‘Master Plan for Lakeside’ on page 6

Thinking of remodeling?

John Carville
Chairman, Historic Preservation & Design Review Board

Mission

To enrich the quality of life for all people, to foster traditional Christian values and nurture relationships through opportunities for renewal, education, culturally, intellectually, spiritually, and physically...while preserving Lakeside’s heritage.

Vision

A Chautauqua community dedicated to Christian values and cultural excellence, nurturing mind, body and spirit.

There is a proper protocol if you are planning on making any changes to the exterior of your cottage. My attempt here is to provide some guidelines.

First, visit the Lakeside Chautauqua Administration Office, located at 236 Walnut Ave., to obtain the proper forms. These forms and requirements must be completed in their entirety, including providing any drawings, elevations, software plans that you wish to incorporate in your remodel.

Also, please note this is required to provide all adjacent and neighboring property owners with the information by Certified Mail, with a return receipt. The receipt and comment cards must come to Historic Preservation and Design Review Board (HP&DRB) for inclusion in the final package.

Lakeside is also the Register of Historic Places, and therefore, to maintain the historic integrity of the community, we can and will be very specific in our requirements, so as to maintain the historic character of your cottage. We cannot change the post lampshades by the previous boards, but can only look towards the future.

The HP&DRB meets on the first Saturday of the month, nine times a year. Once forms and requirements have been completed and submitted, you will be scheduled for a meeting and be given a time and date so that you may attend. We strongly recommend your attendance and welcome your comments.

Once you pass thru the HP&DRB you and submitted, you will be scheduled for a meeting and be given a time and date so that you may attend. We strongly recommend your attendance and welcome your comments.

You can then pass thru the HP&DRB and you will be issued a COA. This document will be your permit to proceed. It is issued on a 4-year cycle. Everyone will be issued a COA. Visitors will discover new and renovated exhibits, plus history literature and word games for kids. The renovation gift shop sells books, toys of a former era, cards and other items. Note: Only attend Monday during Ohio Annual Conference.

Fountain Inn
Over the off-season, eight rooms in the Fountain Inn were significantly upgraded by Lakeside Chautauqua maintenance. Changes include new plaster and paint, new carpet, linen upgrades, water-saving toilets with higher profiles, ceiling fans, window treatments and artwork. Some of these rooms now have a microwave/refrigerator unit.

Grindley Aquatic & Wellness Campus
After the community came together to raise $3.4 million for the Pool & Wellness Campaign, construction began in November on the Grindley Aquatic & Wellness Campus.

The pool, entry building and pool building is set to open in July. The wellness center will open later this year.

In conjunction with the building of the Grindley Aquatic & Wellness Campus, Lakeside also formed a Wellness Advisory Team, who will help steer the direction of wellness programming and spaces. With the help of all community members providing their input, the Wellness Advisory Team has been working to define wellness at Lakeside.

For those who are keeping up with the progress on our Facebook page, the work has seemed to quicken with the framing of the Wellness Center being completed and siding being added to the buildings. The concrete has been poured for the pool, and the spaces for the zero-depth entry, lap lanes, water slide and splash area have become visible.

At this time, Lakeside would like to thank every individual who helped make this dream a reality. This milestone project wouldn’t be possible without the generous and enthusiastic community, or the hardworking crews from Janotta & Herner or Patterson Pools.

To keep up with the progress of the site, visit facebook.com/lakesideohio.

Lakeside Chautauqua houses a treasure in Epworth Lodge, located on the corner of Walnut Avenue and Sixth Street, known as the C. Kirk Rhein, Jr. Center for the Living Arts. Arts programming began there on Aug. 6, 1999, thanks to a generous gift from the Rhein family, and their friends, in memory of their son, Kirk. The Rhein Center provides classes across the entire spectrum of the arts for Lakesiders of all ages. Classes are taught by artists and artisans who share a passion for inspiring creativity. Each week brings new instructors and new class offerings in areas such as drawing, painting, crafts, pottery, dance, fiber arts, glass, writing, jewelry for all Lakesiders and theatre. Classes vary in skill level, length and number of sessions. Free daily drawing and writing prompts, called ARTrageous Pages, are available for pick-up at the Rhein Center porch Monday-Friday.

**Rhein Center Class Schedule (June 12-14)**

Online registration with credit card payment opens at 8 a.m. each Thursday for the following week’s classes. Register online at www.lakesideohio.com/arts/classes. Those who need help registering or wish to pay in cash or by check may visit the Rhein Center from 1-3 p.m. each Sunday, Weeks 1-9, and daily 9 a.m.-5 p.m. each week. In the table below, "or" designates single-session classes offered at different times, and "&" designates classes that meet across multiple days.
